FOR IMMEDIATE RELEASE

**Data#3 named 2015 Cloud Software Channel Partner of the Year for APAC**

**November, 19, 2015; Brisbane, Australia:** Data#3, a leading Australian business technology solutions company, today announced that it was presented with the 2015 Cloud: Software award for APAC, by Canalys, at this year's Candefero Channel Partner of the Year awards.

The award recognised Data#3 for outstanding performance and proven success in selling Cloud software, which has been reflected in their increasing Cloud revenue.

Brad Colledge, Data#3 Executive General Manager commented, "We are delighted to receive the prestigious APAC Channel Partner award at Canalys. This accolade is a testament to the development and successful implementation of Data#3's well-considered Cloud strategy, which has positively impacted our Cloud business. Our solution based and customer focused approach has allowed Data#3 to successfully solve customers' business challenges, through the use of Cloud technology."

Evaluated and nominated by independent Canalys analysts, other channel partners, vendors and distributors, Data#3 was the only Australian partner to win an award at Canalys.

The winners were honored on stage in Bali on Thursday, 5th November at the APAC Canalys Channels Forum, attracting 900 leading channel partners, distributors and vendors from 20 countries across the region.
